

January 2017

CATHOLIC SCHOOLS
Communities of Faith,
Knowledge and Service

Dear Parishioners,

January is a very busy month for our school for many reasons, one of which is Catholic Schools Week! Catholic Schools Week opens on January 29. This year's theme is "Catholic Schools: Communities of Faith, Knowledge and Service," and focuses on key components of Catholic education: spiritual development, academic excellence and dedication to helping others. These elements are distinctive and define exactly why St. Anthony School continues to be an exciting place for growing and learning.

As you know, last year we proudly earned Advanced Certification in STEM education, an achievement shared by only two other Catholic elementary schools in the United States. With the guidance of a team of extremely talented teachers, our students learn to problem-solve and collaborate at the highest level, and do so with a compassionate heart.

Catholic Schools Week gives us the opportunity to share our gifts with those who may be thinking about Catholic education for their children, as well as you, our parish family. We will begin our Catholic Schools week by gathering in prayer with on Sunday, January 29 at the 8:30 am Mass. Our school families will then perform a Day of Service that will benefit local and national organizations. Open House this year will be Monday (Jan 30) through Thursday (Feb 2) 9:00 am – 11:00 am, and Tuesday (Jan 31) 6:30 pm – 8:00 pm.

Gratefully yours,
Sister Emy DeFilippi, FMA
Principal

OPEN HOUSE

JANUARY 30 – FEBRUARY 2

9:00—11:00 AM

JANUARY 31

6:30—8:00 PM

COMMUNITY BLOOD SERVICES will be accepting
blood donations in the Parking Lot of St. Anthony School on

SUNDAY, JANUARY 29
